SONG LIST

The following list is representative of music that *Pleasure Groove* has played over the years. We constantly are learning new material, so there's a good chance we've added new music since this list was generated. Some of these songs are no longer in our regular rotation and are available only by special request in advance.

This list demonstrates the style and variety of music we play. It's not intended to be a complete list. We usually can honor special requests, so if you'd like to hear a song that isn't on this list, please ask us about it.
